ABOUT ME

HI, I'M JOMAR.

I love light and real moments. I shoot with care and respect. I want your photos to feel like your story.

I started taking photos ten years ago. I was shy at first. But I learned that a camera helps me connect

I started shooting because I love how one photo can hold a whole feeling. I don't chase perfect poses or fancy setups. I look for small, honest moments , the ones that say the most without trying.

I love natural light, soft tones, and real emotion. I'll guide you when needed, but mostly, I let things flow. My goal is to make you feel comfortable so your photos look natural, not staged

My style is simple. I don't make you pose too much. I want you to be yourself. I catch the smiles, the laughs, and the quiet moments. Those are the best ones.

Every photo should feel like a memory — something you can look at years later and still feel the same warmth. That's what I try to capture every time I pick up my camera.

WHAT I USE

Canon EOS R5, Canon RF 50mm f/1.2, Canon RF 85mm f/1.2, Canon RF 24-70mm f/2.8

Influences: Film photography, Annie Leibovitz, Steve McCurry
